Travel dates out:

Please note that monthly payment must be adjusted at beginning of month if you will not be here. Your travel dates should be given to barn ASAP. We can use your open time slot for makeups or evaluations. We can not fill your space if we don't have advanced notice!

Cancellation policy: If the weather is unsafe to ride, we will conduct a **barn lesson**. If it's unsafe to travel to the barn we will **reschedule your barn lesson** for a day/time that is safe to attend. No makeups will be given if you choose not to attend barn lesson. If you can't make your lesson 24 hours notice is required. If you know of scheduling conflicts ahead of time, we'd need to know, and can work out makeups or a proration ahead of time. Life happens, and we are happy to try to reschedule for illnesses and emergency when possible. Please try to let us know ASAP if you have an emergency and can't attend. We do adjust the mount list if you aren't able to come!

The horses and instructors thank you!
